

LEGAL AID RESPONDS TO THE OPIOID CRISIS IN ARKANSAS

EVICTING THE MONSTER IN THE CAVE SYMPOSIUM

JANUARY 29, 2020 | 8:30 AM - 4:00 PM

THE GLASS FACTORY

313 W Huntington Ave, Jonesboro, AR 72401

Opioid use disorder shatters families. Individuals are arrested, lose their children, and enter court-ordered rehabilitation programs. How can they recover when they can't pay for court-ordered classes? How can they maintain a home and reunite with their children when their criminal record prevents them from getting a job? **This symposium is about helping families navigate the civil legal issues they face brought by substance use disorder and how civil legal aid attorneys can help.**

Featured Speakers: Brandon George, Indiana Addiction Issues Coalition and Kirk Lane, Arkansas Drug Director
(CLE credits pending approval)
