GETTING TO KNOW BETH SHOUPE: A MEMBER OF LEGAL AID'S JUSTICE CLUB

WHY DO YOU SUPPORT LEGAL AID OF ARKANSAS?

In the beginning some 37 years ago, it was just a job. We had just opened our doors and no one knew who we were, neither did I. I was 19 years old when I first started working for Legal Aid. I grew up with this program. As I endured my own struggles and hardships in life, I could see that others bore their own difficulties, and some shared my own. My compassion grew and my desire to help grew with it. I love this program and what it stands for – helping those in need. We were created to help each other – be to a resource for those that need something we have. Legal Aid continues to be that resource.

WHAT FIVE THINGS COULD YOU NOT LIVE WITHOUT?

There are only 3 things in life I could not literally live without – my faith, food and water. What would break my heart to live without would be my husband and family and my vast array of extended family and friends. Pizza is a close 3rd or 4th in there, somewhere....

WHAT ARE YOU INSPIRED BY?

The goodness in others – sometimes you have to look real hard to find it but it's always there – to see a random act of kindness always puts a smile on my face and always encourages me to pass it on.

WHAT'S YOUR DREAM TRAVEL DESTINATION?

Hawaii – it has some of the best weather anywhere in the world. I've had many friends vacation there and some live there and the stories are remarkable. The beach would be my home, even though I don't swim... I know right !!!

*Thank you,
Beth!*
